

Interview of Richard Posey – 8/30/00

NTSB interview - w/ Cliff Zimmerman -NTSB
Chris Payne - OPS & Robert Rojas EI Paso

Richard Posey on 8/30/00 @ 1:35 PM

operations specialist - measurement technician

Responsibilities - measurement of gas,
reading rectifiers, calibrate gas chromatograph,
line patrol, valve greasing. Very rarely works
in the Pecos bend area and doesn't
blow down the drip.

The gas chromatograph charts are sent to EI Paso
Patty Miller in measurement by him
Every month a report is generated using
the GC data for volume and billing purposes
